Acknowledgement

We feel an immense amount of pleasure in submitting this project report on “**Online College**

Magazine” as partial fulfillment for the award of the Degree of B.Tech in Computer Science & Engineering. The satisfaction and euphoria that accompany the successful completion of any project would be incomplete without a mention of people who made it possible and whose constant guidance and encouragement crown all the efforts.

First and foremost, we would like to express our sincere gratitude to our advisor,

Mr. for his invaluable guidance and cooperation throughout the work. His constant encouragement and vision enabled us to take this new endeavor to the success path.

We would like to express our hearty gratitude to **Dr.....**, Dean, SRM University, Delhi-NCR, Sonapat, Haryana for his support and encouragement throughout the work and for providing the suitable environment to carry out the work.

We feel compelled to articulate our thankfulness to **Dr., HOD, Department of Computer Science & Engineering, SRM University** for his encouragement which was a source of inspiration.

In the last but not least we indebted to all the teaching and non-teaching staff members of our college for helping me directly or indirectly throughout the course of my study and project work.

Abstract

This project “Online College Magazine” to develop an e-magazine is an attempt to create a platform, which would enable a college to be accessible to all its past, present, and prospective students at the click of a mouse. It would be a platform for all the students to interact with each other. The students can share their achievements and happenings on the campus. The purpose of this Project is to create and manage an Online College Magazine where college students and faculties can post and read various articles, thus promoting literary insight. Articles can be searched by anybody in the world. Thus it's for creating a user-friendly interactive place where students/faculties can share their ideas. The E-Magazine is a combination of College Magazine and College Management.
